In this Bicentennial Year, with devotion to our country, we would like to dedicate this 1975-76 ELK Annual to

Dave McReynolds

He has shown patriotism to the school as well as the town. He is a real minute man always there at the action. (Sports, Band, FHA, FFA, etc.). His loyal support to Stratford High has made him an outstanding figure in our American History.

In

Memory

Robbie Emerson was born in Munich, Germany. He spent most of his life in Stratford.

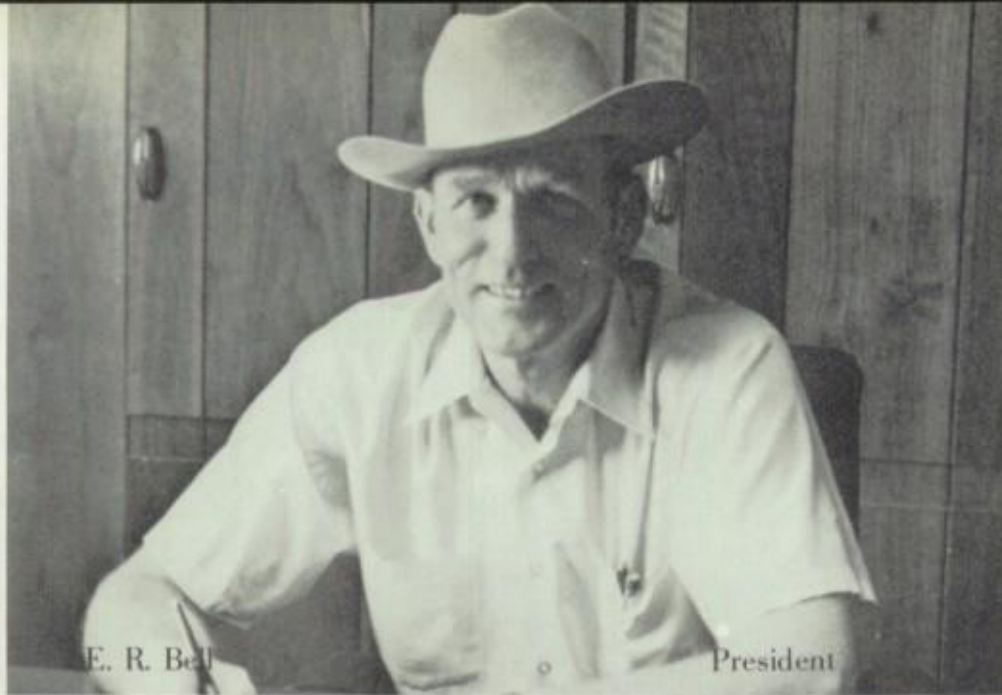

In 1968, the Stratford Lions Club began the search for a state-supported home for Robbie since funds could not be obtained from the National M. D. Program. He became a resident of the Golden Spread Convalescent Home of Amarillo and was supported by the Lions until the time of his death.

Robbie was an avid artist whose paintings grace walls in Oklahoma and New Mexico as well as in Texas. He donated many of his landscape paintings to the Muscular Dystrophy Foundation to be used as fund raising projects.

He had completed his freshman year at Fannin Junior High School where the faculty had voted him in the top 10 percent of his freshman class. He was also an active member of the Spanish Club and ninth grade choir.

Robbie took part in as many Muscular Dystrophy Programs as possible. He was assisted in these programs by Alpha Phi Omega a service fraternity of which he was an honorary member.

After seven years battling Muscular Dystrophy, Robbie Emerson died June 3, 1975.

## *A BIG THANKS*

On behalf of the 1976 Elk annual, we would like to take this opportunity to thank all of the people who make this annual the book that it is.

We Thank Mr. Steve Cleavinger for the use of his cameras and developing many of our pictures.

To Dave McReynolds, we give thanks for the many times we called on him to take, print, and hunt for pictures.

Mr. Howard we thank for sponsoring the annual and reminding us to not forget our deadlines.

Linda Higgins for taking pictures for us, we thank her.

We Thank many of the students and faculty who had to have pictures taken again. We apologize for the inconvenience.

THANKS AGAIN EVERYBODY!
